# O094: Avatar approach on hand hygiene

BS Ana<sup>\*</sup>, C Palos

From 2nd International Conference on Prevention and Infection Control (ICPIC 2013)  
Geneva, Switzerland. 25-28 June 2013

This videoclip aims to introduce visitors and patients on the hospital hand hygiene policy and procedures as well as a reminding for professionals on daily basis. The video explains in a simple and attractive way, how to proceed, using a combination of avatar technology and real persons. SPECIAL; SPECIAL; Videoclips are a part of a global awareness and teaching materials on Infection Control and Prevention, available on hospital intranet and on infection control committee sessions. SPECIAL; SPECIAL.
