Correction: Infection prevention and control policies in hospitals and prevalence of highly resistant microorganisms: an international comparative study

Manon D. van Dijk¹, Anne F. Voor in 't holt¹, Emine Alp^{2,3}, Markus Hell^{4,5}, Nicola Petrosillo^{6,7}, Elisabeth Presterl⁸, Athanasios Tsakris⁹, Juliëtte A. Severin^{1*}, Margreet C. Vos¹ on behalf of ESCMID Study Group for Nosocomial Infections (ESGNI)¹⁰

Correction: Antimicrobial Resistance & Infection Control (2022) 11:152

https://doi.org/10.1186/s13756-022-01165-0

Following publication of the original article, the ESC-MID Study Group for Nosocomial Infections (ESGNI) was mistakenly added as a separate author, whereas all

authors were acting on behalf of the study group. The author list has been updated in this correction article and the original article [1] has been corrected. Additionally, the article contained numerous minor typos which have since been amended.

[†]Juliëtte A. Severin and Margreet C. Vos contributed equally

The original article can be found online at https://doi.org/10.1186/s13756-022-01165-0.
